¹² Some Lincoln Digital Experience features require a Connected Services plan. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones

¹³ Compatible Android or iPhone with compatible active data plan and software required. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Lincoln Digital Experience does not control third-party products while in use. Third parties are solely responsible for their respective functionality.

¹⁴ The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist® to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to the Lincoln operating system, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated.

Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist®. To avoid interference, remove the device or contact the device maker for more information on compatibility

¹⁵ System must be turned off before entering an automatic car wash

¹⁶ Available Qi wireless charging may not be compatible with all mobile phones.

¹⁷ Lincoln Connectivity Package included for four years from warranty start date. To activate the four-year complimentary trial, retail model authorization is required. Evolving technology/cellular networks/vehicle capability may

limit functionality and prevent operation of connected features.
