¹ Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. Remember that even advanced technology cannot overcome the laws of physics. It is always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

² Always wear your safety belt and secure children in the rear seat

³ SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

ADVANCED DRIVER ASSIST SYSTEM

LINCOLN CO-PILOT360® DRIVE 2.0

- 360-Degree Camera
- Adaptive Cruise Control⁴
 - Lane Centering
 - Predictive Speed Assist
 - Stop & Go
- Auto High Beams
- Blind Spot Assist
- Blind Spot Detection with Cross-Traffic Alert/ with Trailer Coverage
- Exit Warning

- Lane-Keeping System
 - Lane-Keeping Alert
 - Lane-Keeping Assist
 - Driver Alert
 - Road Edge Detection
- Intersection Assist
- Pre-Collision Assist with Automatic Emergency Braking (AEB)⁵
 - Pedestrian Detection
 - Forward Collision Warning
 - Dynamic Brake Support
- Rear View Camera
- Rear Parking Sensors
- Reverse Brake Assist

TOWING TECHNOLOGY

- Trailer Reverse Guidance
- Pro Trailer Backup Assist
- Smart Trailer Tow
- Trailer Sway Control⁶
- Pro Trailer Hitch Assist
- Trailer Profiles
- Trailer Light Check

ADDITIONAL DRIVER ASSIST SYSTEMS

- Auto Hold
- Automatic Headlamps (automatic on/off)
- Hill Descent Control™
- Hill Start Assist
- Rain Sensing Front Wipers⁷

⁴ Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. It does not replace safe driving. If stop is longer than three seconds, the driver must intervene, and press "RES" button or accelerator pedal to resume system operation. For optimal/best performance, Lincoln recommends keeping map data updated by fully activating the vehicle's Lincoln App Connect modem and enabling Connected Navigation Services. See Owner's Manual for details and limitations

⁵ Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. [Pre-Collision Assist® with Automatic Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision.] It does not replace safe driving. See Owner's Manual for details and limitations.

⁶ Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

⁷ System must be turned off before entering an automatic car wash

- Universal Garage Door Opener
- Wireless Charging Pad¹² – First Row

⁹ Some Lincoln Digital Experience features require a Connected Services plan. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

¹⁰ Compatible Android or iPhone with compatible active data plan and software required. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Lincoln Digital Experience does not control third-party products while in use. Third parties are solely responsible for their respective functionality

¹¹ Lincoln Connectivity Package included for four years from warranty start date. Requires activation via the Lincoln app. Evolving technology/cellular networks/vehicle capability may

limit functionality and prevent operation of connected features. Lincoln may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Lincoln may remove or limit the customer's data plan.

¹² Available Qi wireless charging may not be compatible with all mobile phones

¹ Available feature on select vehicles. BlueCruise requires an active plan or trial – see lincoln.com/technology/bluecruise for details. Terms apply. BlueCruise is a driver-assist feature and does not replace safe driving or driver's attention, judgment, or need to control the vehicle. Only remove hands in a hands-free Blue Zone. Always watch the road and be prepared to resume control. See Owner's Manual for details and limitations

² Lincoln Connectivity Package included for four years from warranty start date. Requires activation via LincolnWay® app. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Lincoln may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Lincoln may remove or limit the customer's data plan
