If stop is longer than three seconds, the driver must intervene, and press "RES" button or accelerator pedal to resume system operation. For optimal/best performance, Lincoln recommends keeping map data updated by fully activating the vehicle's Lincoln App® Connect modem and enabling Connected Navigation Services. See Owner's Manual for details and limitations

<sup>5</sup> Driver-assist features are supplemental and do not replace the driver's attention, judgment, and need to control the vehicle. [Pre-Collision Assist® with Automatic Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision.] It does not replace safe driving. See Owner's Manual for details and limitations.

<sup>6</sup> Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

<sup>7</sup> System must be turned off before entering an automatic car wash
