² Lincoln Connectivity Package offered on eligible vehicles as a 1-year or 4-year complimentary trial. Trials begin upon New Vehicle Warranty start date. Some Google Assistant, Google Maps, and Google Play features require Lincoln Connectivity Package connected service plan or Wi-Fi network. Connected service and features depend on compatible network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Lincoln App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

Connected Service and features depend on compatible network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

Google Assistant and some related features are not available in all languages or countries.

Amazon, and all related marks are trademarks of Amazon.com, Inc. or its affiliates.

Lincoln App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

³The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist® to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to the Lincoln operating system, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated.

Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist®. To avoid interference, remove the device or contact the device maker for more information on compatibility

PACKAGES

- Class III Trailer Tow Package
